Location: McKay Auditorium, BCOE

Total Cost of Event: ~~\$1,508.2~~ \$3,846.81

Number of Members Attending: 120 students, 60 volunteers

Description of Event: Read Across America is an annual event that encourages literacy using the familiar and well-loved Dr. Seuss characters and books. This event reaches 120 children. This event seeks to promote the love of reading to local students.

How will this event benefit YSU and the student body: Youngstown State University has been growing its relationship with the youth in the surrounding areas. Hosting this event continues to strengthen the bond between these two important influences in the Youngstown area. Read Across America is an annual event that local families as well as YSU students enjoy participating in. YSU students who volunteer at this event are role models and powerful examples of the importance of secondary education; even as young as these children are, they are able to see firsthand the incredible students, campus, and programs offered here at Youngstown State. YSU students who volunteer are able to connect with these students, developing personal relationships that can last long beyond the event. These students may one day attend YSU because of the positive experiences they have on campus, thus bringing their perspectives, beliefs, and knowledge into the student body, benefiting all YSU students.
